Events for all flying skills. Trophies for 1-3 in each event.

Fun!

Great Flying!

Raffles!

- Flying Events*

- Hatch Chili Drop

- Drop a foam chili from a dixie cup mounted on your plane. (Any drop technique - except servo activated is allowed.) Closest to the “target” is the winner. Ties will be determined by a second chili drop. No servo activated drop devices allowed.

- Mystery Spot Landing

- Perform 3 touch and go landings within a 20' x 20' marked landing zone. Each landing will be marked with your name. At the completion of the contest, a 20 sided die will be rolled to determine the mystery spot. Closest landing to the 'spot' wins.

- Time to Go

- All timing devices must be covered up or left at the starting stand. Time begins at throttle up for take-off. Time ends at touch-down. +1 for every second less than specified time. +2 for every second more than specified time. Alternative for beginner pilots, time begins and ends at pilots call, safety pilot/instructor may take off and land. Low time wins.

- Balloon Bounty

- Pilot takes off and calls for helium balloon to be released. A balloon with 5 foot streamer is released on the upwind side of the field. Flight is over upon 1) popping balloon, cutting streamer or 2) balloon is no longer safe for pursuit by model. Lowest time to #1 wins.

*A complete set of rules for each event can be seen by contacting CD.
